We Value Your Opinion!

The home building process consists of tens of thousands of pieces and parts that make up a home construction/sales experience. We are honored to be able to provide you with such a unique & personal experience and your opinion is both appreciated and valued. Please take a few moments to answer the following questions to let us know your thoughts on your custom home building experience.

1.) What was your **FAVORITE** aspect of your home building experience with John D. Bowen Construction?

Everyone is so easy to work with and very nice.
Added ~~the~~ suggestions to make our home
look nice.

2.) What was your **LEAST FAVORITE** aspect of your home building experience with John D. Bowen Construction?

Having to wait 5 weeks for the
shutters - I think we should have
scheduled them earlier.

COMMENTS: Thank you for allowing
me to have Christmas in our new
home!
